Re: United States v. Amec Foster Wheeler Energy Limited,
Criminal Docket No. 21-CR-00298 (KAM)

Dear Judge Matsumoto:

The government respectfully moves for an order unsealing the above-captioned matter in its entirety.

In its June 4, 2021 letter (the "Letter"), the government sought to have the docket for this case sealed until the time of the hearing on June 25, 2021. In the Letter, the government also sought that the Court not publicly announce the identity of the defendant on the public court calendar. Because an information has now been filed and the defendant has entered into a Deferred Prosecution Agreement with the government, sealing is no longer necessary. As a result, the government seeks to unseal the above-captioned matter in its entirety and attaches a proposed order hereto.

Respectfully submitted,

JACQUELYN M. KASULIS
Acting United States Attorney
